Let's go skating

Let's go skating

It is very funny

We will jump and turn right

We will jump and turn left

Maybe we will

Maybe we will

Maybe we will fall

2

We will put on

We will put on

We will put on warm clothes

Trouser, blouse and sweater

Ski pants, cap and jacket

We will not be

We will not be

We will not be cold

3

We will use our

We will use our

We will use our body

Arms and legs and buttoom

Hands and knees and shoulders

So that we can

So that we can

So that we can skate
